Corporate Sustainability Circle

Every cat's purr and every dog's wagging tail at BENCHS is made possible through the generosity of people and companies like yours. By joining our **Corporate Sustainability Circle**, your business can make a lasting impact on homeless pets while strengthening its connection with the local community.

An annual commitment of **\$2,400 (\$200/month)** fuels our lifesaving work, helping us plan ahead, reduce costs, and respond quickly when animals need us the most. In return, your company will receive:

- Logo placement on a high-traffic cat condo at BENCHS
- Recognition on our website and social media
- Inclusion in local radio promotions
- Annual sponsorship renewal opportunities

The Corporate Sustainability Circle offers a visible and meaningful way to demonstrate your commitment to animal welfare while connecting with thousands of community members each year.
